BUSINESSWOMEN'S

N E T W O R K

The Norwich Businesswomen's Network was set up in 1991 to promote business and social contacts between local professional and business women who are decision makers within their organisations.

Membership is open to women running their own businesses and professional and business women working for larger organisations in senior management positions.

The group meets for lunch on the second Wednesday of each month at a variety of venues. During lunch there is a 15 to 20 minute speaking slot, which provides an opportunity for members and outside speakers to give presentations and discuss a wide variety of business, community and personal interest issues.

We are also delighted to support several charities each year. These are usually local, but there are occasions when our support is global.

Please see [www.nbwn.co.uk](http://www.nbwn.co.uk) for further details

Booking forms providing information on venue, price and speaker are sent out to members approximately three weeks before each lunch by email.

The current membership fee is £42 per annum. Membership is for the individual and not transferable. Non-members are welcome to attend up to two lunches as a guest of an existing member, after which they will be required to apply for membership should they wish to continue attending.

If you wish to apply for membership, please send the following to Jackie Collinson our Membership Secretary:

- Your completed membership application form
- A brief CV or biography
- A cheque (which will only be banked after your application is approved) for £42 payable to Norwich Businesswomen's Network.

Membership applications will be referred to the Committee, and you will be notified as soon as possible.

Please note that the information given in your application form will be incorporated into our membership database.

***Please note that the annual membership is renewable every October. Ladies who join in June July and August will not need to renew in that year. Please note that all monies raised are used to support our nominated charities***
